

## **ASHFORD & CRANBROOK ROOFING 2022 COMMUNITY PROJECT**

### **Terms of Application**

#### **Judging of applications**

Judging will be undertaken by representatives of the project sponsors together with Ashford and Cranbrook Roofing as a panel. Criteria for successful applications will include but not necessarily be limited to:

- Meeting the application specification.
- Completing the application paperwork.
- The community impact statement.
- The organisation impact statement.
- The mitigation statement.
- Description of work required to include pictures and plans if available.
- The ability of the project team to meet the needs of the application.

The judging will remain confidential and details will not be shared, the decision of the panel is final. Representatives from the panel will seek to arrange a viewing of the works needed before a final decision is made of the winner from a shortlist of the applications chosen.

#### **Application Specification**

The application is intended to be from community based charity organisations whom have been impacted by the pandemic operationally in fund raising for a needed roof renewal or whose operations are impacted by the need for a roof renewal. This application is not intended for any structural or ancillary works other than a roof renewal. The application mitigation statement should detail the mitigation of such risk either with available resource from the applicant or confirmation such needs have been established as not present.

Applications will close 30<sup>th</sup> September 2021 and will be announced at the start of 2022 with works to be undertaken in the timescale convenient to Ashford and Cranbrook Roofing in 2022. Ashford and Cranbrook roofing will of course take account of religious holidays relevant to religious community organisations when scheduling the works should this be applicable.

Applications should be completed and signed application document/s together with relevant attachments, emailed to [community2022@cranbrookroofing.co.uk](mailto:community2022@cranbrookroofing.co.uk)
